Dear Miss Pahe:

Thank you very much for your letter of May 1st addressed to Vice President Rockefeller regarding a 1957 Chrysler 300 convertible.

We have been able to find out the following information for you. The car was purchased by the Vice President on July 18, 1957 from Chrysler Manhattan Company, Inc, here in New York. The Vice President originally used the car in Tarrytown, and in 1966 it was moved to Maine. On October 23, 1968 it was sold to a Mr. Richard Haynes. We have no further record of the vehicle after that time.

Many thanks for your interest. Hopefully this information will be helpful to you and your friend and that Mr. Del Grande enjoys the Chrysler.

Sincerely,

Joseph W. Canzeri

Dear Mr. DeGrande:

Regarding our telephone conversation this morning when we discussed the 1957 Chrysler 300 formerly owned by my husband, Richard Haynes, I am enclosing the Notice of Sale on this car which will give you the information that you are seeking.

This car was sold here on Dec. 4, 1972. I have tried to find any information that we obtained when the car was purchased from Nelson Rockefeller but have not located it. He was in New York at the time it was sold and the transaction was done through his caretaker at his Seal Harbor estate so perhaps I did not get any papers. If I do find any, I will send them on to you.

My husband will be very anxious to see this car after the restoration work so we hope you will get down this way with it. We live at our camp during the summer season so I would suggest that you phone us at the above number when you arrive in this area, at any time during the day because we would hate to miss seeing you.

Thank you for your cooperation.

Very truly yours,  
Haynes Garage.
